**Committee Reports:**

- **Range Updates**
  - New Port-A-Potty was purchased(\$750), the 2 old ones will be disposed of as soon as possible. We will be looking to add a second, ADA compliant one, after completion of the concrete work under the canopy and ramp. We are also looking into funding possibilities through some suggested sources. Estimates for this ADA one are about \$2500-\$3000. **Scott said Vals does have an ADA that is an older one – need to look into the cost of this.**
- **USPSA-**

- Match held March 20<sup>th</sup>. 13 shooters – 4 classifier stages. – April 17<sup>th</sup> will be the next match. Ike will be gone and Brian will be on call but can help. Need to make arrangements with Dvorak to get the water tank ready to go – Need to check tires on trailer. Will plan more classifier stages and lower round count. Try to add steel.
- Season Event Estimate for 2021 – Brian
- Season Opener March 20?
- **Kid's Day at the Range 2021**
  - Event Estimate – Ike is working on the grant for kids day. There are some changes to the grant application this year. July 24<sup>th</sup>, Custom Embroidery will do shirts again this year.
  - Purchase of more ammunition through Runnings, Thanks to Jerry for hooking us up!

**Ladies' Events-**I'd like to have another meeting in April now that we have inventory of what items we have. I would like to see if Kathy Logosz would be able to attend the meeting.
